## “International Summit on Industrial Engineering”

Committee would like to invite speakers and Young Researchers to submit their research work for inclusion in the field of Industrial Engineering program. We would like to request speakers to inform their colleagues about **Young Researchers Forum**.

Industrial Engineering has over 23 tracks designed to offer a comprehensive outlook that addresses current issues in Industrial Engineering Research. Speakers will be allocated specific slots corresponding to their sessions.

### Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author)

### Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

The complete registrations is to be received per attendee and the corresponding payment in Dollars by the given deadlines. Please note that the discounts will not be available for on-site registration.
