

Past Conference Report 2020

Diabetes Congress 2020

The “4th International Conference on Diabetes and Endocrinology” was organized during **June 22-23, 2020 Webinar**. The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers and talented student communities representing more than 10 countries, who made this conference fruitful and productive.

This conference was based on the Theme- “**Protect our Future: Diabetes Education and Prevention**” which included the following scientific

Allied Academies has taken the grand privilege of felicitating Diabetes Congress 2020 Organizing Committee, Editorial Board Members and Keynote Speakers who supported the success of this event.

The esteemed guests, Keynote speakers, well-known researchers, and delegates shared their innovative research and vast experience through their presentations at the podium of Diabetes Congress 2019. We are glad to inform that all accepted abstracts for the conference have been published in the Global Research Journal of Education. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee.

Members for their gracious presence, support, and assistance. With the unique and positive feedback from the conference, Allied Academies would like to announce the commencement of the “5th International Conference on Diabetes, Endocrinology”
