

## Past Conference Report on Neuro Congress 2020

**4th International Conference on Neurology and Brain Disorders** was organized on **July 27, 2020**. The conference was marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who made this conference fruitful and productive. This conference was based on the theme “Scientific quest to overcome the challenges faced in Neurology and Brain Disorders” which included the following scientific tracks:

Neurological Disorders and Stroke | Brain and Neurological cancers | Alzheimer’s disease | Brain injury and Behavioral issues | Neuroimmunology | Neuroscience | Anxiety and Depression

Being Program Manager to 4th International Conference on Neurology and Brain Disorders I would like to take this opportunity to express my heartfelt thanks to all the experts and professionals for your active involvement in the concluded conference. It was an immense pleasure for us, that you joined our event and bestowed us by being Guests of Honor. Your precious time was of nice importance for us. Your involvement and interest towards our organization may be a nice support for us.

All your valuable participations made a difference through your dedication and continued support for our program. Your ideas, inputs and enthusiasm were most helpful and have assisted in making valuable inputs in our program.

It was nice to host you in our congress, and your kind words worth’s a lot to us. Professionals like you are a sort of encouragement for budding researchers to gain a lot of knowledge in Neuro based studies and to explore new ideas for brain research.

I have no doubt that it’d not have been the success that it was without your presence.

Your step would serve as an initiative and we want to express our deepest gratitude towards you and also thank you very much for your enthusiastic participation.

We would like to continue an honest relation in future.
