

Past Conference Report on Brain and Spine 2020

5th International Conference on Brain and Spine was organized on **July 27, 2020**. With the support and contribution of the Organizing Committee Members, we successfully hosted the event. Firstly we must thank you for trusting us and participating at Brain and Spine 2020, a global platform to discuss various important aspects.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 20 countries, who have driven this event into the path of success.

This conference was based on the theme “New Horizons and global perspective in Brain and Spine research”

I would like to give special thanks to the Speakers of the conference whose presence helped to make this event a great success and your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the best and hope that you continue to be engaged with future conferences.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support and assistance. With the unique and positive feedback from the conference

All your valuable participations made a difference through your dedication and continued support for our program. Your ideas, inputs and enthusiasm were most helpful and have assisted in making valuable inputs in our program.

We would like to continue an honest relation in future.
