Dear Colleagues,

World Health Organization announced that, “The influx of large numbers of people to mass gathering events may give rise to specific public health risks because of COVID-19 occurrence more through over the world”.

Because of that’s the reason conference series recommends scientists, delegates and scholars to participate in online events and webinars. These events make your participation in online with guarantee the health of all involved in the events due to there is no physical gathering. From home with safe you can explore your ideas about your research.

Webinars and Online event aims to support all scientists and scholars from all over the world in delivering their ideas by a safe and successful event. The goal of webinar/online event is to make international online events as safe as possible from public health risks of the Covid-19 with technical support to host for events.

We are glad to announce the 26th International Conference on **Nutrition and Dietetics Webinar going** to be held on **July 20-21, 2020** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Nutrition and Dietetics Summit 2020** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Clinical Nutrition, **Food Science** and **Dietetics**. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world

but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

The main theme of the **Webinar** is “**Where the Latest Science and Wellbeing Meet**” & “**Dietary recommendations & Nutritional requirements during Covid**” which will ignite young minds in searching a novel approach towards the marvels of sustainable future. Knowledge is Application. This Knowledge gathering initiative focuses on Knowledge accumulation but also helps in practical approach towards future aspects in the fascinating arena of Nutrition and Dietetics.

We are welcoming all the experts, students, professors, Nutritionist, Dietitians etc... from all over the world to join the webinar.

This Nutrition and Dietetics **2020** conference also encourages the active participation of **Young Student Researchers** as we are hosting Poster Award competition.

It provides interdisciplinary platform to present and discuss the most recent innovations, trends as well as practical challenges encountered and solutions adopted.
